

FREE THERAPY NIGHT MONDAYS

Free Therapy Night is a student-run specialty clinic that provides free mental health counseling.

Free Therapy Night therapists see people with many different emotional and behavioral concerns, including (but not limited to) depression, anxiety, post-traumatic stress, insomnia, substance use, and family / relationship / occupational stress. The clinic is run by masters-level graduate students in psychology from the University of Florida under the supervision of licensed psychologists. Free Therapy Night aims to offer short-term treatment to adults and children (parent or guardian permission required if under 18) who are uninsured or cannot otherwise afford psychotherapy.

New patient walk-ins welcome 5:30 PM – 6:30 PM.

**Appointments preferred. Call (352) 325-1775
